Professional Experience

Connex AI – Commercial Director

May 2020 – Present | UK / Global

Helped drive global expansion from 120 to 500+ staff, opened new markets in Europe, US, and Australia, and contributed to securing over £100M in investment.

Key Achievements

- Delivered **140% of annual target in just 3 months** after returning from major surgery.
- Closed multiple **seven-figure enterprise contracts** across telco, SaaS, and B2B sectors.
- Secured **Enterprise Deal of the Year** three consecutive years (2020–2022).
- Built high-performing sales teams, achieving consistent **double-digit growth**.
- Led strategic adoption of AI-powered customer engagement solutions for enterprise clients.

Multiple Businesses – Non-Executive Director & Investor

Jan 2000 – Present | UK

Active investor and NED across established companies and start-ups.

Key Focus

- Advising boards on sales strategy, market expansion, and operational improvement.
- Providing governance, performance oversight, and market execution expertise.
- Leveraging network and experience to accelerate commercial growth.

Adams Property Ltd – Founder & Director

May 1999 – Present | UK

Founded and manage a property investment and development company specialising in residential and commercial assets.

Key Achievements

- Delivered consistent portfolio growth for over two decades.
- Managed transactions from £50K residential flips to **multi-million-pound** commercial deals.
- Integrated property assets with wider business portfolio to maximise ROI.

Noble Systems – Commercial Director

Feb 2016 – May 2019 | UK

Led UK commercial operations prior to merger with Aspect Software.

Key Achievements

- Increased UK annual profits to **£8M+** through strategic sales and operational optimisation.
- Expanded enterprise customer base in competitive contact centre technology markets.
- Strengthened market position ahead of successful merger and integration.

EE (BT Group) – Sales Director

May 2007 – May 2016 | UK

Senior Leadership Team member during the merger of T-Mobile and Orange to form EE, later acquired by BT for £12.5B.

Key Achievements

- Led commercial operations during one of the UK's largest telecom mergers.
- Oversaw brand transition to EE, ensuring seamless customer experience.
- Played a strategic role in integration planning for the BT acquisition.

DX Communications – Director

Jul 1997 – May 2007 | UK

Founding team member who built the Retail division from the ground up.

Key Achievements

- Scaled national retail network, driving substantial revenue growth.
- Achieved **£50M buyout by BT Cellnet**.

Authorship & Thought Leadership

- *STEPHEN ADAMS SALES SYSTEM™ CORE PLAYBOOK* – Proven 8-step sales framework used to close multi-million-pound B2B deals.
- *Kidney for Lily* – Memoir and practical guide supporting families facing chronic kidney disease.
- Keynote speaker on AI, telco, SaaS scaling, and sales strategy.

Volunteering & Advocacy

- **Ambassador**, World Kidney Day (2024 – Present) – Campaigning for kidney health awareness and early detection.
- **Panel Member**, Children's Hearings Scotland (2024 – Present) – Supporting vulnerable children and families through decision-making in legal hearings.

Education

MBA – Business/Corporate Communications

Strathclyde Business School | 2008 – 2011
